

ESSENTIAL APPS FOR THE VIRTUAL AGENT

KNIPE | REALTY 

Prezi

Prezi is one of most popular online presentation software to build compelling presentation online. It is characteristic of pan and zoom effects which can be used widely to make presentation distinct from the PowerPoint presentation. It has a huge collection of templates, so you can pick a stunning one suitable for the real estate theme. Prezi is free for use, and it enables you to completely customize the selected template and content in any way you want.

Kleard Smart Lock

Consumer self-guided tours for ANY listing

The infographic features the Kleard NOW logo at the top, followed by a blue banner with the text 'SAFETY & SECURITY'. Below this, five circular icons represent different verification methods: a driver's license, a smartphone, an envelope, a selfie, and a location pin. Each icon is accompanied by a title and a brief description of the process.

DRIVER'S ID	CELL PHONE	EMAIL	SELFIE	LOCATION
Buyer will be required to scan the front and back of their driver's license	Buyer receives SMS code and must verify it to link their device to them	Verification email is sent to confirm the email account entered on app	Facial recognition tech is used to confirm the photo of the buyer is an actual person	The app knows if the buyer is still in or near the house for better tracking
